

Ambulatory Oncology Nursing Perspectives: 2020

THE UNIVERSITY OF TEXAS
MD Anderson
Cancer Center
Making Cancer History®

Saturday, April 4, 2020
8:00 a.m. - 3:05 p.m.
Onstead Auditorium, Floor 3
Mitchell Basic Research Building

Ambulatory Oncology Nurses

A conference focused on the general learning needs of the oncology nurse practicing in an ambulatory setting. After attending this learning activity, the ambulatory oncology registered nurse will self-report current advances to implement in the management of the oncology patient in this setting.

DISCLOSURES TO PARTICIPANTS:

Nurses will be awarded up to **6.75** CNE contact hours (*which includes 2.00 contact hours towards Jurisprudence and Ethics credit*) when requirements for successful completion are met. Nurses must arrive and sign-in no later than 15 minutes after the first session begins. Full participation must occur and at the close of the educational activity, nurses must complete an online evaluation that will only be open for **7 consecutive days**. A "Certificate of Successful Completion" will be electronically emailed to the address provided. Persons in a position to control the content of this educational activity have disclosed no conflict of interest. There is no commercial support.

The University of Texas MD Anderson Cancer Center is an approved provider with distinction of nursing continuing professional development by the Texas Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.
