April 3

Pre-Summit
Memorial Hermann-TMC:
Hermann Conference Center

April 4 & 5

2024 Nursing and Clinical Innovation Summit
InterContinental Houston Hotel

Pre-Summit: Journey to Clinical Excellence

Journey to Clinical Excellence pre-summit will provide insight into organizational successes, lessons learned throughout the journey, best practices and initiatives implemented to attain clinical excellence and related designations such as ANCC Magnet® or Pathways to Excellence® designations, BEACON®, PRISM® and Emergency Nursing Association (ENA) Lantern® recognition.

Summit:

Track 1: Unleashing Innovation Through Science

Unleashing Innovation Through Science track focuses on modernization, forward thinking, advanced, “out-of-the-box” strategies utilized via process improvements, evidenced-based projects, and research studies that affect nurses and/or interprofessional team members in any healthcare practice setting.

Track 2: Fostering Excellence in Practice and Profession

Fostering Excellence in Practice and Profession track demonstrates how the organization’s structure and leaders enhance and empower the nurses and the interdisciplinary team’s involvement in the improvement of clinical practice, elevation of the profession, and progression of professional development to create a culture of safety in clinical, advocacy and community initiatives.
